- If you have **facebook** and haven't already then please like and follow the Wynyard Golf Club Page, this will be regularly updated. If you have anything to contribute please contact Sue Young or Sandy at the bar. We are missing the services of Wolf, but will hopefully be back on board soon. At the moment, you can check under visitor posts on our facebook page for results etc. where Sue, Sandy and Neal have been posting the info.
- **Membership:** Welcome to new member Tony Norton this month. Please endeavour to make all new members welcome, please invite them to join you or your group for a game.
- **Course:** Some cables have been found underground and the drainage work will be underway soon. Michelle has been away and the green's staff will attend Agfest to look at a new rough mower with the intention of replacing ours.
- A new very large TV will be purchased and erected on the wall near the back entrance, this will enable sport to be watched from all angles in the clubroom when socialising. The ladies Melb Cup luncheon will cover the cost of this and it will help their guests to be able to view the horseracing too.
- The new ovens should be installed next week in the kitchen and Coastal Kitchens will be making us a new pantry and updating the benchtops and some cupboards. Our old kitchen has served us well for the past 40 years!
- Be patient! When the kitchen renovation is completed and the drainage is done, work will be on the work shed and storage to accommodate more buggies.
- A handrail will be erected on the steps outside the double doors.

- Sprinkler heads will be marked with white paint – Check board for local rule.
- **VOLUNTEER REQUIRED**: for a few easy painting jobs around the course (no ladder work involved) - please see Frank Chettle if you think you could help.
- The Committee has approved the erection of a new sign at the entrance reminding visitors of the requirement to pay green fees. This has been ordered. As a member please help us to recover outstanding dollars by asking anybody you think may not have done the right thing for a copy of their receipt. Revenue from Green Fees was down considerably in our Annual Financial Statement.
- **Caterer** – We have been lucky to secure Sweetness as our caterer for the ladies on Wednesdays and for our men on Saturdays. Their lovely food has been well received, please support them so they can support us! Vanessa and her team are also happy to undertake any catering for functions at the clubrooms as required.
- **Dress Standard**. Discussion was held and the current sign will be updated to today' standards. Please adhere to these. It is preferred that dirty high vis work clothes are not worn on the course. Tanks tops and shirts without collars are not acceptable.
- **NOTE**: Smoking is not permitted on the course as per Australian rules for sporting fields. Please remind members it is not acceptable to puff your way around the course!

- The Australian Masters Games is coming to Tasmania in October 2017. Golf is being held at Devonport and Ulverstone. Games are scheduled at other coastal clubs during the week as well. It is expected that approx 80 people will play at clubs on the scheduled days, Wynyard will be assigned a day which will be a great opportunity to showcase our course. Host clubs get to cater and profit from extra bar sales etc. It was suggested that we cater for dinner at the Clubhouse when the golf is being played on our course. The organisers are looking for volunteers if anyone is interested.
